I've been in communication with the NC and an active Neighborhood Watch group and will be attending their meeting next Monday before HPHOA Board meeting. I haven't spoken with Ferris since I've been back but I'm working on the following in the area:

- Issues with the Food Coalition
- Issues with the abandoned Just Tires property
- Parking issues on Sycamore
- DeLongpre Park, tree trimming, and park improvements (in fact I want to know if there are Quimby funds available for improvements)
- Party House's on Sunset
